The following regulations are established to ensure the proper maintenance, control, and maximum equitable utilization of all parking facilities by valid parking permit holders.

V. Parking Permit Eligibility

A. All employees and student vehicles occupying University parking facilities must register their vehicle(s). Each employee or student may apply for one permit only. When properly registered, the vehicle license plate becomes the parking permit for the vehicle.

B. To be eligible to acquire and display a parking permit, and employee or student must:

1. Possess a valid operator’s license for the type of vehicle to be registered.
2. Be employed full-time by the University or be a student registered for a minimum of 6 credit hours per term.
3. Be a member of the University faculty.

C. Students may not use employee permits. Those employees that wish to have their vehicles registered as a student use for by a member of their family must have the vehicle registered in their name and paid for by their vehicle.

VI. Parking Classifications and Hours of Enforcement

III. Parking Permit Eligibility

III. Parking Permit Eligibility

A. All employees and student vehicles occupying University parking facilities must register their vehicle(s). Each employee or student may apply for one permit only. When properly registered, the vehicle license plate becomes the parking permit for the vehicle.
